

1. What comes to your mind when you hear the word *theology*? What is your attitude toward theology?
2. Why is the study of God important? How will knowing this affect your life this week?
3. Why are our prayers the best evidence of our view of God? Think back over your prayers of the past day or week. What view of God did they imply?
4. What does it mean to *know* someone?
5. How is a contemporary Christian's relationship with Jesus different from the relationship Jesus' first disciples had with him? How is it the same?
6. Why is the fact that God knows us more important than the fact that we know God?
7. How do images of God dishonour God? How do images of God mislead people?
8. Is God the Father of all people? What sort of sonship can a human being experience?
9. How does our adoption show us the greatness of God's grace? the glory of the Christian hope? the key to understanding the ministry of the Holy Spirit? the meaning and motive of "gospel holiness"? the solution to the problem of assurance?
10. What is adoption? Why is it important?
