

Read Philippians 2:1-11

1. Paul is challenging us in v1 to reflect on what it means to be a Christian. What are the effects of your faith for you?
2. What does it mean to have “the same mind, same love, being in full accord” as a church?
3. Again, Paul is question motives (v3). How do we ensure our motives are correct and good?
4. Paul answers that question (v4) – how do we look to the interests of others?
5. What are the challenges from hearing of Christ’s humility? (v6 -8)
6. Do we find it easy to “empty ourselves”?
7. What limits do we put on our obedience?
8. What comfort do you take from v9-11? Does it give you hope?

In your groups, share experiences about different ways you have worshiped Christ and how you have felt close to him in those times.
