4. What did the king ask Nehemiah (Nehemiah 2:4)?
5. What did Nehemiah do before answering? (Nehemiah 2:4)?
6. What response did he make to the king?
7. When the king asked for details, what further request did Nehemiah make (Nehemiah 2:7-8)?
8. How did the king respond (Nehemiah 2:8)?
9. What can we learn from the provision of an army and horsemen given to Nehemiah (Nehemiah 2:9)?
10. Who was unhappy and why (Nehemiah 2:9, 19)?
11. Why would such men be disturbed?
12. How did the opponents hinder the work? How did Nehemiah respond (Nehemiah 2:19)?
13. What did he say to motivate the people? How did they respond?
14. What lessons can we learn from this chapter about useful service to God?

Application:

When we spend time with the Lord through prayer and reading His Word, our hearts become stirred or passionate for the Lord's work. What has God called you as a group to act on this week? What is keeping you from taking that action or that next step? Write down some ideas of what God might be calling us to act on as a church and email your responses to Stuart
