

## *Read Genesis 1*

- 1. How does the structured, orderly process of creation reflect God's nature?*
- 2. What does it mean to be created in the "image" and "likeness" of God?*
- 3. What does the repeated statement "And God saw that it was good" reveal about God's perspective on His creation?*
- 4. How does the creation of light before the creation of the sun, moon, and stars affect your understanding of "light" and "darkness" in a spiritual sense?*
- 5. What lessons about resource management can we learn from God's allocation of food sources?*
- 6. How does the concept of the "six days of creation" resonate with the idea of rest and work-life balance in our current society?*
- 7. In what ways can we see God's creativity in the diversity of life forms He created?*
- 8. How does the creation narrative affect your understanding of the value of life in all its forms?*
- 9. How should we respond to the reality of our responsibility as stewards of the earth, especially considering current environmental challenges?*
- 10. How do the "seasons and days and years" marked by celestial bodies relate to the passage of time in your life?*
- 11. What can the creation of animals and humans on the same day teach us about the sanctity of all life forms?*
- 12. How does the creation story affect your perception of God's power and His care for the universe?*
- 13. In what ways does Genesis 1 inform or challenge our understanding of the origin and purpose of life?*
